WHAT'S NEW AND EXCITING?

My trip to Italy is in less than 45 days! I've been busy packing and gathering photos, family trees, and geneology information to share with the new relatives I've discovered in Piedimonte Matese.

PACKING IS HARD WORK!

I have a laundry list of things to do while I'm there, including:

- Find the exact address of my grandfather's house
- Find more birth/death records either at the church and/or cemetery
- Fill in missing records of the generations before me
- Add the current family members to our family tree

I also plan to visit the birthplace of my grandmother in Ariano, Irpino, which is only 45 minutes away from where my grandfather was born.

It's all SOOOO exciting and I cannot wait to experience every sound, sight, smell, taste, and moment of the trip. Of course, I will be documenting ALL of it to share with you.

**SOPHIE ISN'T
HAPPY ABOUT IT!**

I LOVE TO HEAR YOUR THOUGHTS & SUGGESTIONS!!

**What are some things you would like to see me capture during my visit?
Send your suggestions to janine@janinelange.com.
I will feature them in the September issue.**
